Drayton Valley **April 11 and 12**

TOWN AND COUNTRY DAZE

A weekend of outstanding shopping values is in store for shoppers in Drayton Valley during Town and Country Daze, Friday and Saturday, April 11 and 12.

Business places taking part in the event are listed in this issue of The Western Review. Each has a supply of coupons available to shoppers to fill in for a chance to win a ride-em lawn mower. Ask for a coupon while shopping, you could be the winner. The draw will be made late Saturday afternoon.

Several events are taking place in conjunction with Town and Country Daze and are described in more detail elsewhere in this paper. Among the weekend features will be a pancake breakfast by the Elks Lodge on the I.G.A. parking lot both mornings of Town and Country Daze.

Check the specials in this issue of The Western Review and save money by shopping in Drayton Valley.

COUNCIL FACES DOG PROBLEM

The recurring spring problem of stray and wandering dogs was the subject of considerable discussion at the last regular meeting of Town Council.

Council members were unanimously agreed that a firm stand should be taken in an effort to resolve the problem that has been the source of a great many complaints in recent weeks.

It was agreed to enter in contract with Animal Care Ltd, of Calgary to act as dog wardens for the town. Council also affirmed that the dog wardens would be given every co-operation from all town departments to ensure that effective control measures may be established.

Discussion took place on the part the Police Department should play in dog control and council members were agreed that the police should lay complaints against the owners of known dogs contravening the dog control by-law.

BLOOD DONORS CLINIC MONDAY

A blood donors clinic will be held at the Frank Maddock High School from 2:00 to 4:30 and 7:00 to 9:00 p.m. on Monday, April 14th.

FISHING TRIP PRIZE FOR DRAYTON BOY

Fifteen-year-old Gordon Hart, son of Mr. and Mrs. George Hart of Drayton Valley is looking forward eagerly to enjoying the prize he won at the Sportsmens Show in Edmonton Saturday.

A keen angler, Gordon was the lucky winner of a three day all expense paid fishing trip for three persons to Grist Haven Lodge in northeastern Alberta. Grist Lake fishing is fabulous and it's no wonder Gordon is looking forward to the trip.

The Sportsmen's Show is sponsored annually by the Edmonton Fish and Game Association and the Hart family are regular visitors to the event held this year in the Jubilee Auditorium.

Gordon, a Grade 9 student at the Drayton Valley Junior High School, won the major door prize of the three day event that was drawn Saturday evening.

F.U.A. District Convention In Drayton Valley Saturday

The need for increased membership to help bring about improvements to the farm industry was the major point stressed at the annual convention of F.U.A. District 5 held in the Elks Hall in Drayton Valley Saturday evening.

The meeting drew farm union members from a wide area throughout this region who were welcomed to the community by Deputy Mayor Norman Swenseid.

Principal speaker for the evening was Mr. Dobson Lea of Jarvie, Alberta, Vice-President of the F.U.A. who reviewed the activities of the organization last year. He noted several accomplishments and outlined undertakings planned or already started.

The fight for a hog marketing board was carried by the F.U.A. he said. The board is expected to be in operation later this year with the possibility of some delay for the installation of teletype sales facilities. He also noted the F.U.A.'s part in removal of the three cent tax from purple gas.

Natural gas service to farm homes has already been tackled by the union's board who have approached the Provincial Cabinet with a request for a revolving fund to make money available in the early stages of providing the service. No cabinet commitment has been received, Mr. Lea said, but the matter is still being pursued by the F.U.A.

Mr. Lea noted that the more serious agricultural problems are now national in scope and expressed the need for one truly representative voice to meet present and future problems facing Canadian farmers.

An ideal organization, he said, would represent a majority of grass roots farmers as well as representatives of producer-controlled commodity groups (co-ops, pools, etc.). All should pay their share, he said, with a com-

pulsory check off and by working together represent vastly increased bargaining power.

Controlled production and market sharing as practised in some segments of the industry would be a part of his ideal union concept as would social conscience and recognizing the need to restrain and meet responsibilities to those pushed out of farming by changing technologies.

Locals reported on last year's activities during the evening with Les Herndon reporting for the Drayton Valley local; Mrs. N. Hanson, Millbank; Leo Saretsky, Magnolia; Frank Schymizek, Seba Beach; Mrs. Millenbacker, South End; and Mrs. Marsha Zutz, Tomahawk F.W.U.A. local.

Nominations were called for the election of Sub District Director for the next year and Mr. Gaston Jouan of Tomahawk named to serve another term. Mr. Maurice McCullagh of Rocky Rapids was elected Alternate Director.

County Councillor Les Miller spoke briefly to the meeting with a few words of greetings from Parkland County Council. M.L.A. Ralph Jespersen of Stony Plain noted that farm problems are becoming increasingly serious, and unfortunately, are not viewed with any particular degree of concern by city dwellers.

The unconcern of city people would represent a serious problem Mr. Jespersen said, if redistribution of Legislature seats by population becomes an actual fact. This would have a serious effect on farmers who would then only have a minority voice in government with the largest portion of the population represented in the two major Alberta cities.

Mr. Jespersen said he felt that even under redistribution the rural area of Alberta should still be represented by half the M.L.A.'s in the House.

Other speakers during the convention were Mrs. K. Maxfield of R.R.4 Edmonton, F.W.U.A. Director and Mr. Ernie Fahrion of Rosevear, Director of District 5. Both oulined activities during the year and voiced the need for increased membership to provide the essential services by the organization.

Resolutions put forth that carried without a great deal of discussion concerned pipeline payments, licensing of farmers and the empty bottle hazard.

A resolution concerning appointment to the Reclamation Board, however, produced a good deal of reaction before the meeting closed. The resolution asked for a farmer representative on the board to replace the appointee named by the County Council.

Circumstances surrounding the appointment that has irritated area farmers were outlined for the information of the meeting. The County Council, early in the year, requested the Drayton Valley F.U.A. local to submit the name of an area farmer to serve on the board.

The local made its selection, backed up with 157 names on a petition and submitted it to the Council which also received an application submitted by an individual from the area.

Speaking on the issue, Councillor Les Miller stated that because there were two applications and because the County Council felt this indicated disagreement in the selection, it decided to appoint Agricultural Fieldman William Moelhoff.

Things were bad enough before, but the Council's decision to select an employee whose salary is paid partially by the provincial government to represent farmers in negotiations involving the same government touched off an explosion of protest.

The meeting ended without resolving the problem but Councillor Miller stated that he felt the Council had not considered the civil servant aspect of the appointment in making its decision. Expressing a personal opinion, he said he felt the council would be required to look at the appointment again in light of this fact.

Renowned Pianist to Appear in Evansburg

Evansburg and district residents are reminded of the piano concert to be presented by Marek Jablonski in the Evansburg High School Auditorium on Saturday, April 12th at 8:00 p.m.

Mr. Jablonski, an internationally renowned concert pianist, is being brought to Evansburg by the Kinsmen's Club whose members are looking forward to a very successful show. Advance ticket sales indicate that a large number of area residents intend to take advantage of this opportunity to hear the work of the young Canadian pianist who is receiving glowing press reports in Canada and abroad.

To correct an error in last week's advertisement about the concert it should be noted that the adult price is $1.50 not $1.00 as advertised. Students tickets are 50¢.

Mr. Jablonski, the Polish-Canadian pianist was born at Crakow, Poland in 1939. At an early age he arrived with his parents in Edmonton. He studied in Calgary, Banff and Aspen, Colorado.

He has just completed a highly successful tour of Italy, Hungary and Russia and was an unqualified success at the Wigmore Hall in London, on February 2nd. Requests for his appearance are becoming more and more numerous particularly on the Continent and Eastern Canada where his ability at a virtuoso is recognized and appreciated.

COUNCIL BRIEFS

Meeting of March 27

Council was advised that a letter received from the County of Parkland in answer to a letter sent out regarding a Tourist Bureau in Drayton Valley. The County Council asked to be kept informed of any action planned.

In the same regard, a letter was received from the Drayton Valley Women's Institute expressing support for the project.

Also regarding the bureau, Mr. Ken R. Noble, Secretary-Manager of the Alberta Tourist Bureau advised that he would be in Drayton Valley this month to discuss this matter.

Council authorized the sale of residential lots to Mr. W. Krysko and Mr. Barry Richer.

* * * *

Council authorized the sale of the old town office building by tender. Tenders will be accepted until April 30th for the building which must be removed before July 31st.

* * * *

A request for support of Daylight Saving Time from an out-of-town source was placed in abeyance by Council which felt it could not support or reject the proposal without an expression by town residents.

* * * *

The Development Committee reported that study of the zoning bylaw is going ahead and is expected to be ready for final draft within a few weeks.

The committee was also instructed to investigate further the proposal of J. Mackenzie to provide two acres of land if Council purchased two more for the construction of a childrens' playground in the northern sector of town.

Arena Closed

The Drayton Valley arena closed its doors Sunday, April 6th on a most successful season of skating and hockey.

Consideration had been given to keeping the arena open during the Easter holidays but attendance had dropped greatly during the past few fine spring days and it was decided to shut down the plant operation.

EDITORIAL COMMENT

Reverse Economy

It is becoming increasingly apparent that Postmaster General Eric Kieran's economy moves are having a seriously detrimental effect on the Canadian postal service.

Mr. Kieran's "economy" is a wonderous thing. You now pay more to have your mail delivered later. This is an improvement?

In pre-Kieran days we subsidized the postal department heavily but in return enjoyed excellent service. Most Canadians accepted the fact that federal revenue was well spent in this essential field but protested squandering in other departments.

Then enter Kierans to wreck the service we were satisfied with, while the squandering we protested goes on merrily elsewhere. If the Trudeau administration needed an axe-man to save government funds why in the world didn't it point him toward non-essential government frills that he could chop to pieces at a great saving to taxpayers and hear scarcely a murmur in return.

Why turn him loose on one of the most important services in the country? A department that plays such a vital role in the day-by-day commerce of Canada deserves more consideration that it has received lately.

Empty Bottle Proposal

One of the resolutions put forth at the F.U.A. district convention in Drayton Valley last weekend called for measures to control littering of streets, highways and the countryside with empty bottles. We commend the F.U.A. on its stand and hope it will be joined by town and city organizations in pressing for changes to put a halt to this obnoxious practice.

The empty bottles may be nothing more than an eyesore to urban people but they represent a real hazard to farm livestock and machinery. Farmers are justifiably angry at needless delays caused by tire damage from broken glass and the necessity of paying medical costs or shipping animals injured by the same source.

Many proposed solutions to the problem have been advanced in the past without noticeable effect. And, as it was pointed out at Saturday's meeting, the "littering" warnings posted on highways aren't worth the effort entailed in erecting them.

People seem to learn best when you hit them where it hurts most --- right in the pocket book. The F.U.A. suggestion is to require a substantial deposit for bottles, making them too expensive to throw away. It might be the answer.

Legislature Report

BY RALPH JESPERSEN, M.L.A.

Your Provincial Government decided to have a hearing through the Public Affairs Committee, which includes all the Members of the Legislature, to study all aspects of the Bighorn Dam developments. This action by the Government was brought about by insinuations and allegations by the Opposition, that the Government was hiding something in the project, with no cost analysis study. On Tuesday, April 1st, the hearings commenced with Mr. R.E. Bailey, Director of the Water Resources, Department of Agriculture, as the first witness. Mr. Bailey provided each Member with a vast amount of information.

Contrary to certain inferences we found a great deal of study had gone into the plans of the Bighorn Dam. In the documents given to us, we find these studies date back to 1919-1920, under the William Pearce Project, and studies have continued in a general way up until the present time.

During the construction of the Highway in 1964-1965, in the area of the dam, the route of the road was then planned so that it would not be affected by flooding, resulting from the dam being built. At that time also, the people of the area, including the Indian People, were informed of the proposed dam although the exact location was not definitely determined.

This Bighorn Dam will provide a number of benefits and uses. These include pollution control; a reservoir to control flooding; to provide water for irrigation; recreational purposes and for the development of Hydro power.

Montreal Engineering Company Limited provided calculations as to cost of this project. The entire cost is approximately $30,000,000.00. Calgary Power Company is willing to enter into an agreement with the Province-the Province paying approximately $7,000,000.00 including brushing, clearing and road building. There is an approximate saving to the Province of some $23,000,000.00.

I would like to quote Mr. Bailey to indicate the economics as to the saving of the Bighorn Dam project to the people of the Province: "I have here a list of a number of dams similar in nature to the Bighorn. I'm not going to read them all, but we've got dams like Arrow, (Mica), St. Mary's, Squaw Rapids, Gardiner Dam and so on. We have worked out in terms of 1968 dollars what the cost per acre of useable water has been, and rather than go through the whole list I will indicate to you that on the average of these, the cost per acre of useable water is $32.40. Under the same condition in 1968 dollars, the cost of useable water in the Bighorn is in the vicinity of $25.00 per acre foot. That is the total cost to the Bighorn." On this basis, if we calculate the actual cost to the Province, this would amount to an actual cost of near $5.00 an acre foot. On this basis alone, it would seem like a very economical and beneficial project to proceed with.

Lindale Club Plans Float

LYNN MARTIN
Club Reporter

The last regular meeting of the Lindale 4-H Swine Club was held in the home of Roger and Reno Martin on March 26th. The roll-call was "Different Kinds of 4-H Clubs", and there were 13 members present.

The members decided to hold a dance at Lindale in the Hall on May 2nd and if possible to book the "Young Minstrels" as music.

There was a discussion on next summer's parades, and it was decided that the club would build a float.

Reno Martin gave a report on "Canada" and the meeting was adjourned. A film was shown, then Mrs. Martin served lunch.

Summary Regular Meeting Parkland County Council

A continued meeting of the Parkland County Council was held March 24th with Reeve Rudolph Zander, Deputy-Reeve Leslie N. Miller, Councillors Robert A. Bailey, Peter Bakker, Roy Lent, George Mann and Ivan Vowk present.

Mrs. William Roder of Winterburn was present at the meeting and requested an extension of authorization to retain two residences on a 20 acre parcel in the SW 18-53-25-4.

It was agreed on motion of Councillor Miller that an extension to April 15th, 1970 be given

Request for permission to relocate a residence on an existing foundation on the NW19-52-26-4 a distance of 76 feet from the centre of the road was received from Mr. Harold Morris of Spruce Grove.

Authorization on motion of Councillor Bailey subject to the condition that Mr. Morris agrees to move the house at his own expense if so required to accommodate future road widening and permits registration of a caveat for that purpose by the County.

By-Law No. 4-69 to provide for the leasing of 13½ miles of road allowance in township 51-4-5 and 51-5-5- to Cormie Ranch Limited of Edmonton received first reading on motion of Councillor Bailey and second reading on motion of Councillor Vowk.

ASSISTANT AGRICULTURAL FIELDMAN APPLICATIONS

It was agreed on motion of Reeve Zander that the Agricultural Fieldman, the Chairman of the Agricultural Committee and the District Agriculturist screen the applications received and submit the most suitable ones to the Council for final decision.

By-Law No. 5-69 to provide for the control of Development in the County of Parkland No. 31 in accordance with Development Control Order No. 2 of the Provincial Planning Board received first reading on motion of Councillor Vowk.

NEWSPAPER CIRCULATION

The matter of newspaper circulation in the County was discussed and the following arrangement was approved on motion of Councillor Miller:

1. The Stony Plain Reporter shall be provided to ratepayers in the area formerly designated as the Municipal District of Stony Plain No. 84.
2. The Western Review shall be provided to ratepayers in the area of the County that was not previously within the Municipal District of Stony Plain No. 84.
3. Any ratepayer of either area may have his subscription changed to the paper of his choice by making request in writing but only one paper will be provided to any one household under this plan.

DELEGATION

Messrs. Mike Sabadaska and Nick Washylk of Carvel were present at the meeting in connection with the proposed railway overpass at Carvel in the Sw 34-52-2-5-. The delegation requested that the existing level crossing be retained as a private crossing to accomodate local traffic entering the Hamlet of Carvel.

It was agreed on motion of Councillor Bakker that the Canadian Transport Commission be requested to not close the existing level crossing if the proposed overpass is installed.

Messrs. William Albrecht and Jacob Freitag of Stony Plain were present at the meeting on behalf of the Regional 4-H Beef Club Council regarding their annual summer cattle show and sale. They advised that the concrete arena surface will have to be covered with 6 to 8 inches of dirt for cattle showing and requested financial assistance in this regard.

On motion of Councillor Bailey it was agreed to meet with the Stony Plain Town Council to discuss this matter.

Mr. Patching from the Alberta Crop Insurance Board was present at the meeting and explained to the Council the All Risk Crop Insurance program that was introduced in Alberta in 1965 and which is now available to farmers in this County.

Chief Constable J.A. Kelly and representatives from Alberta Government Telephones were present at the meeting to discuss with the Council the radio communication system of the Police Department.

PRELIMINARY AGREEMENTS

Preliminary agreements were approved as follows on motion of Councillor Bailey:-

1. Purchase of 33 feet of land along the north side of the SE 30-51-25-4 with compensation of $400 for approximately 2 acres of land; $200 as payment in full for the loss of one-half mile of fence and $100 as payment in full for clearing the right-of-way.
2. Purchase of 34 feet of land along the north side of SE 30-51-25-4 with compensation of $406 for approximately 2.03 acres of land; $200 as payment in full to construct one-half mile of fence and the County to construct a water dugout adjacent to the new road, the dirt of which will be used for road construction.
3. Purchase of all that portion of the NW 3-53-26-4 as described in certificate of title no. 156-C-232 containing .5 of an acre with compensation of $100 for approximately .5 acre of land; $150 as payment in full for right-of-way clearing backsloping and loss of fence and $200 as payment in full for all legal costs involved.

PURCHASE OF MOTOR GRADERS

On motion of Councillor Miller it was agreed in principal that purchase be made of one D600 Champion motor grader from Ferguson Supply Limited of Edmonton and one model 120 Caterpillar motor grader from R. Angus Limited with one used Austin Western motor grader to be traded on either machine.

By-law No. 6-69 providing for the imposition of a road ban received first reading on motion of Councillor Miller, second reading on motion of Councillor Bailey, third reading on motion of Councillor Mann and finally passed by unanimous consent of the Councillors present.

The meeting continued Tuesday, March 25th with Reeve Rudolph Zander, Deputy-Reeve Leslie N. Miller, Councillors Roy Lent and Ivan Vowk present. Councillors Peter Bakker and Robert A. Bailey, George Mann were in attendance for the afternoon session.

Messrs. G. Vandorp and D.G. Snell of Drayton Valley were present at the meeting regarding a complaint received regarding operation of a school bus owned by Mr. VanDorp and operated by Mr. Snell.

It was agreed on motion of Councillor Miller that the School Bus Committee investigate the complaint and submit a report and recommendation to the School Committee.

On motion of Reeve Zander it was agreed to call for tenders for two half-ton trucks for use by the County.

PURCHASE OF GRADERS

Purchase of two motor graders as follows was approved on motion of Councillor Vowk:-

One Champion Model D 600 complete with snow wing, scarifier from R. Angus Alberta Limited for the sum of $36,395.00 less trade-in of one used Austin Western Super 400 motor grader for the sum of $6,878, net purchase of $29,516.

PROPOSED DRAINAGE PROJECT ON TOMAHAWK CREEK

Letter dated March 10th, 1969 from Mr. Walter Medd of Tomahawk was read to the Council requesting that the County should pay a larger amount in a certain area than provided for in the program as the area is sparsely populated and the cost would be unreasonably high.

This matter was tabled for consideration at the next meeting on motion of Councillor Bakker.

HIGHWAY SIGNING

A proposed system of signing of Highway 16, north of Lake Wabamun was submitted by the Edmonton Regional Planning Commission.

It was agreed on motion of Councillor Mann that this proposal be accepted and submitted to the Department of Highways for consideration.

A request for naming of the road from the NE corner of the NE 35-52-27-4, south was received from Nasby's Auctioneering of Edmonton and referred to Councillors Miller and Bailey for recommendation on motion of Councillor Lent.

A renewal insurance policy covering the septic tank servicing truck formerly owned by the Stony Plain School Division No. 23 has been received from Drayden Insurance & Accounting Limited of Stony Plain.

On motion of Councillor Mann it was agreed to cancel this policy and include the truck in the Fleet Insurance Policy of the County.

GRAVEL AGREEMENT

The Council agreed on motion of Councillor Bailey to enter into an agreement with Mr. Arthur Pahal of R.R.1 Leduc for removal of the total amount of gravel remaining in the original agreement, in 1970 rather than removing a quantity in 1969, without forfeiting any royalty payment as provided in the original agreement.

On motion of Councillor Vowk it was agreed that Councillor Bailey be authorized to consult the County Solicitor regarding this agreement.

Request for permission to remove a small dwelling from a one acre parcel in the SW 2-52-4-5 was received from Mr. Douglas Moger of Highvale. On motion of Councillor Mann it was agreed that permission be not given unless the arrears of taxes are paid as there is a subsisting Tax Recovery Notification registered against the property.

Request for improvement of the road to the NW 2-54-7-5- was received from Mr. Donald Nixon of Edmonton.

Councillor Mann reported that he had contacted Mr. Nixon in this regard and advised him that the Council would inspect this

MAGNOLIA NEWS

At this time of year, to all the readers far and near, we would like to wish a happy Easter.

Mr. and Mrs. William Anderson are reported in favorable health and like the rest of us, are waiting for that wonderful and elusive time called spring.

Peter McDougall has finished working in Edmonton and is now home, preparing for spring work.

Eugene Campbell arrived home from O.A.V.C. on Thursday, March 27th and left to take up his work at the Robertson Seed Company in Edmonton on March 31st. During his brief stay at home, a family supper was held to celebrate the birthdays of Sandra and Eugene.

In answer to a note in my column a few weeks ago, I received a letter from Mr. and Mrs. Milton Yandt of Kelowna, B.C. telling me that they read the news that far away. They wrote to tell me that they had as recent guests, Mr. and Mrs. Leo Burki of Sangudo, formerly of Entwistle and Moon Lake, and Mr. and Mrs. Larry Lefebvre of Edmonton. Mrs. Lefebvre is the former Sandra Campbell of Evansburg.

Mr. and Mrs. Rudolph Gylander have arrived home safely from their trip to the U.S.A. Mrs. Gylander spent ten days in Spokane with relatives. Mr. Gylander travelled to Spokane, Flagstaff, Arizona and Louisianna He tells us that Alberta has not gotten all the snow this winter as Flagstaff had one hundred and twenty-one inches.

Mr. and Mrs. Pete Neilsen, former local residents now living in Edmonton were recent visitors in the community.

Elson Ostershek is staying with his aunt and uncle, Brenda and Allan Walker for a few days.

Mr. and Mrs. J. Dykes and Peter were Sunday guests at the Nobert home.

On Monday, March 31st, Walter Campbell had the pleasure of meeting Mr. and Mrs. Pete Neilsen at the IGA Store in West Edmonton. They had a pleasant chat over cups of coffee.

"TRY THE CLASSIFIEDS"

BRETON STUDENTS VISIT CITY INDUSTRIAL PLANTS

Industrial Arts General 20 and 30 classes of the Breton High School got a first hand look at industrial processes on Thursday of last week.

The tour provided them with a look at the manufacturing of spruce and poplar plywood at Ziedler Plywood in Edmonton. From there they proceeded through the Premier Steel Mills number one plant, where the smelting of scrap metal was being carried on.

To the amazement of the group the Edmonton Journal production was a far cry from the small edition of the local school newspaper. After all 450 people are involved directly in the daily edition of the Journal.

The dark room, drying, cutting and sorting equipment of the king size photo laboratory intrigued the photography fans.

At Dominion Bridge the students saw twelve barges under construction to be used by oil companies on the Mackenzie River. Each section was an eighth of the size of the complete unit and would be assembled later in the north.

Little Freddie was watching TV in the playroom when he was told to go downstairs and entertain his sister's boyfriend while she was getting dressed.

The youngster faced the suitor and said, "Why do you come to see my sister all the time? Don't you have one of your own?"

Ski Club Draw

Ski Club President Nick Urchyshyn holds the box of tickets and Carnival Queen Joyce Rendflesh reaches in to draw out the name of Bruce Benson of Drayton Valley. As a result of the draw, the Benson's are now the lucky owners of a portable 12-inch T.V. set.

WHAT ALTERNATIVE CROP?

Many prairie farmers who would like to cut-back their wheat acreages this spring are asking what alternative crops they can grow.

There is just no magic answer to this dilemma, according to Alberta's cereal crops specialist, Sherman Yelland. Returns from alternative crops, he says, appear to be as unpredictable as those from wheat.

Present indications are that there will be an 80 percent increase in Alberta's flax acreage this year. Since world demand for linseed oil is diminishing, the fact that farmers in this province intend to plant 500,000 acres to this crop is alarming, says Mr. Yelland. Whether or not they get away with it will depend upon acreages and yields in such flax producing countries as Argentina.

Regarding rapeseed, preliminary estimates show that an increase of 56 percent over last year's figure, or 700,000 acres, will be planted to this crop in Alberta this spring. Although world-wide use of rapeseed oil and meal continues to grow, European countries such as Poland and the six Common Market countries are making inroads into Canada's Japanese market. Because of this Canada did not get the increased sales she had expected this year. Our future success in the export market, says Mr. Yelland, will be determined by future subsidization policies in these European countries and in Canada.

Because of 1968 over-production, the contract price for mustard seed will be considerably lower this year, and fewer contracts are being written.

Mr. Yelland says there is justification for a slight increase in durum acreages this year, but stocks of good seed are reported to be scarce. The Alberta seed drill survey showed a large percentage of durum seed samples were mixed with hard red spring wheat, and they were graded "reject".

Acreages devoted to common buckwheat are continuing to increase. In Alberta 10,000 acres have been contracted to this crop at a price of around $4.20 per hundredweight.

According to Mr. Yelland an ever-increasing number of farmers are turning to crop rotations involving forage crops for feed or seed. Forage seed contracting is a trend that is increasing every year and provides one more alternative to wheat and coarse grain production.

Continued gains in barley acreages at the expense of oats are expected again this year. Barley matures earlier and has a higher energy yield per pound of grain. Mr. Yelland feels that oats should be grown only where their yield in pounds per acre exceeds barley by more than 10 percent or wheat by more than 20 percent, where the price is unusually high, or where the land is free of wild oats, and the seed oat market is favorable in relation to other seed crops.

Whatever the final decision on alternative crops, the one thing that farmers have some degree of control over is production costs per unit. Mr. Yelland strongly suggests going for maximum economic yields before increasing acreages. The use of pedigree seed of some of the newer seed varieties is one of the best ways of maximizing yields and profits.

D. V. Highlights

BY MRS. EDITH DEBY

Sympathy is extended to Mrs. Alvin Ellis and Mr. Frederick Boyd whose mother, Mrs. Sadie Maxwell, of Whitecourt passed away last week.

Mr. A. Braden was observed making his way up main street on Saturday greeting friends. Mr. Braden is manager of the Treasury Branch in Lloydminster now.

Mr. and Mrs. Nick Urchyshyn spent Easter weekend with their son-in-law and daughter, Mr. and Mrs. Robert Hunter, in Calgary.

Mr. Bruce Free, of Kamloops, spent a few days at home with his parents, Mr. and Mrs. Claude Free, at the end of March.

Mrs. Chester Farnsworth and family are visiting with Mrs. Farnsworth's mother, Mrs. Joan Reynolds, for the Easter holiday. The Farnsworths moved to Fort St. John when Mr. Farnsworth was made district manager for his company in that area.

Gordon Pickup and Michael Chiu spent Easter weekend in Drayton Valley but returned to Camrose on Sunday evening for classes were to resume on Monday.

Members of the Senior Citizens Club were entertained at the last meeting by Michael Gormley who showed films on Nova Scotia and of water fowl to be found along the seashore.

Congratulations to Joanne Chenery who has been chosen to represent Alberta this summer at the Girl Guide International Home in Adelboden, Switzerland.

Welcome to Drayton Valley, Mr. and Mrs. L. Sedgwick.

It is good to see Dr. Ian Waugh around once more apparently not too much the worse for his sudden serious illness.

A farewell party for Mrs. Edith Dunnington will be held on Thursday, April 10th at 8:30 p.m. at the home of Mr. and Mrs. Nick Urchyshyn. All friends and acquaintances are welcome.

Badminton Finals Saturday

Registrations for the North Central Zone Badminton Finals which are to be held Saturday, April 12th, are now all in. Co-ordinator Lome Wood of the St. Albert High School Staff reports that thirty Zone schools have indicated they will be sending either a full team of 12 players or a partial team.

Western region schools that will be taking part include Evansburg, Drayton Valley, Hinton, Edson, Sangudo, Mayerthorpe, Seba Beach, Stony Plain and Whitecourt.

Mr. Edgar Fewster of Berrymoor is shown here about to cut his 81st birthday cake. Mr. Fewster is a Berrymoor old timer, having lived in the area for thirty-six years.

How Does Your Garden Grow?

By Green Thumbs

There is nothing quite like fresh vegetables from the garden. The flavour is at its best when they are gathered at the peak of maturity and served on the family dinner table within a couple of hours. Therefore vegetables should play a very important part in your garden plan. Not only are they tastier, but economical too.

In order to get the most out of your vegetable garden, try not to plant all one variety of any one vegetable. The season of any one vegetable can be extended by planting early and late varieties, also if you want to freeze quantities of vegetables, there are preferred varieties that freeze better than others.

Following is a list of varieties worth trying. Detroit Dark Red Beet (early). Formanova or Cylindra Tendersweet Beet, excellent for pickling. Puregold Yellow Bean and Topcrop Green Bean, good for canning, freezing or fresh use. Jade Cross FI Hybrid Brussel Sprouts (early). Broccoli (De Cicco strain). Worlds Best Snowball Cauliflower. Golden Acre Early Cabbage, and Early Jersey Wakefield Cabbage. Danish Ballhead Cabbage is a good winter keeper. Savoy Super Curled Cabbage is excellent cooked and for salads.

Chatenay Half Long and Nantes Half Long Carrots are well suited to our region, if soil is shallow try Oxheart or Guerande as they are quite short and stumpy and are much easier to pull. Seeing we have such a short season for Cucumbers, Morden Early or Early Russian are good for either slicing or pickling. Corn, Amazing Early Alberta, seed suppliers claim it matures even in Alaska. Gaining popularity in the lettuce family is a variety called Buttercrunch, very early, tender and sweet, try Great Lakes Head as a "follow up", when thinned to one foot apart will form good heads and does not "go to seed" easily.

The silverskin onion is a favorite for pickling and the Sweet Spanish Utah strain is good as green onions, and later on as a winter keeper. Peas are one of the most popular vegetables for freezing, canning and fresh use, to ensure a fairly constant supply through summer, start with Progress #9 and Little Marvel, followed by Homestead (Lincoln) and Giant Stride. Hollow Crown Parsnips, not stringy or woody, good winter keeper. New Red Boy Radish, matures early, Long White Icicle keeps well, does not "seed" easily, Saxapr Round Red Radish, very mild flavour.

For an early white turnip, White Milan is excellent. Canadian Gem is a good Swede Turnip, excellent for winter storage, crisp and sweet. Some gardeners feel that they are further ahead to buy tomato plants from the nursery, in some cases this is so if you just want five or six plants. If you have a large family and require a large amount, for fresh use, juicing, pickling, etc., good results can be obtained by starting your own seeds indoors. Early Chatham, Manitoba and Farthest North are very successful in this region. and in the event of early frost, will ripen quite well in-doors, if wrapped in paper and stored in a dark place.

A hint for those who are never quite sure, where they planted their rows, when early weeding is necessary, when planting seeds take a packet of early Radish seeds and sprinkle just a few at the beginning and end of each row. Radish almost always is the first thing to come up, thus marking your rows, and being easier to pull when needed, without having to walk too far into the seed bed. Next week I'll mention a few of the not so well know vegetables.

Bunny Winners

Winners of the Macleods Store bunny contest for town and district children were drawn at the store last Saturday afternoon.

Lucky youngsters who took home live bunnies were Anne Kazoleas, Drayton Valley, Joy Ann Ewanicki, Violet Grove, Keith Markle, Drayton Valley, Kathy Krysta, Buck Lake, Dale Ring, Alder Flats and Shane Boylan, Drayton Valley.

PARKCOURT NEWS

Mr. and Mrs. Albert Tuftin and and Mr. and Mrs. Carl Ohl motored to Edmonton on Friday night to attend a farewell party for Mr. and Mrs. Gordon Bennett who are moving to Vancouver.

We see Harvey Marchand hard at work on his new barn, hoping to complete it before spring work.

A surprize birthday party was held on Saturday evening for Mrs. Fred Fausak on the occasion of her birthday. A lovely evening was enjoyed.

Mr. Edward Greenwood took in the Dairyman's Convention in Edmonton. While there he also went to see his new grandson.

The Wyshinsky brothers have been busy hauling out their logs and now report that the job is finished.

Quite a few of the district school children have been journeying to Edson and Edmonton in connection with their music and business administration courses. They all report very useful and enjoyable times.

Mr. Norman Powell spent a day at the Stanley Greenwood home.

LEPRECHAUNS CLOSE WITH WIN

The Drayton Valley Hotel Leprechauns, the Pee Wee All-Star hockey team closed out their season with an 8-2 victory over the St. Albert Fire Chiefs Sunday afternoon in the final hockey game of the 1968-69 season. The Leprechauns took an early lead and were especially strong in the third period to clinch their decisive victory.

On Saturday afternoon the Wellington Pee Wee A's whipped the Wabamun Kings 6-2 and Saturday evening the Wellington team went against the Leprechauns. This proved to be one of the better Pee Wee games of the season with both teams going all out, but they had to settle for a 4-4 tie after one period of overtime play.

After Sunday's game the entire Leprechaun team was hosted by their sponsor, the Drayton Valley Hotel in the Cardium Room. Plaques were presented by the Leprechaun players to coaches Fred Galvon and Russ Simpson.

A vote of thanks to Fred and Russ for a very well done job and congratulations on a very successful season with the Leprechauns.

SUMMER HOCKEY SCHOOL SURVEY

A letter in the nature of a preliminary survey to determine how many boys would be interested in enrolling in a hockey school to be held at the Centennial Civic Centre in Drayton Valley during the last week of August, 1969 is being sent out to all minor hockey players in Drayton Valley and District during the coming week.

The school will consist of instructional sessions of 1½ hours on the ice each day, preceeded by a 15 minute instructional chalk talk and followed by a 15-30 minute session of conditioning work, weight training, off-ice skill practice and films.

All sessions will be held at the Drayton Valley Centennial Civic Centre. First class instruction will be provided, including instructors from top amateur and professional hockey. All minor hockey players ranging in age from 8 years to 18 years are eligible to attend this school. The fee for the entire school will be $30 per player.

A form will be enclosed with the letter which you fill out and return. This puts you under no obligation but serves only as an indication of your interest in attending the school. If the response to this letter is satisfactory and there is enough interest in such a school, we will go ahead and officially organize it for the last week of August, 1969.

All players will be categorized in groups of 24 - 28 boys, according to age and ability, to provide the best possible learning situation for all participants and you can be assured that every effort will be made to make this school the best of its kind.

If you are interested in attending this school, on receipt of this letter please return the enclosed form as an indication of your interest. If you know of others who might be interested, have them obtain, complete, and return these survey forms.

Please return forms before April 15th, 1969 to: Michael J. Gormley, Recreation Director, Drayton Valley, Alberta.

Additional forms and all information pertaining to the school may be obtained from the Recreation Office. Phone 542-3327.

FATHER-SON BANQUET

A Father and Son Banquet and a Trophy Night was held at the B.P.O. Elks Hall last Saturday to mark the closeout of the Drayton Valley Mite Hockey League. The function was put on by the sponsors of the five Mite teams in the Drayton Valley Community League.

After a tasty meal prepared and served by the B.P.O. Elks and Ladies of the Royal Purple, a number of trophies and plaques were presented. The Mac-Calder Trophy was presented to Flint Engineering, the team winning the Mite community hockey championship for the 1968-69 season. Each player on the Flint team received a miniature trophy prepared and presented by Bert Demers. All the coaches on each team were presented with plaques by the players of their respective teams. Ten trophies were given, to deserving players, two on each team, one went to the player who coupled hockey ability with sports manship for a maximum credit to his team and the other award went to the boy who had shown the most improvement in his hockey ability over the season. These trophies were presented by Rod Colbert stellar defenceman of the Drayton Valley Rebels Hockey Team. Bert Telford, Commissioner of the D.V. Mite Community Hockey League served as M.C. for the evening.

The evening closed out with films of the Canadian National Team and a Stanley Cup Series of a few years ago.

Plan Sports at Alder Flats

In May of 1967 the community of Alder Flats inaugurated a sports day to celebrate Canada's 100th birthday. This sports day coincided with the centennial canoe race from Rocky Mountain House to Montreal with the first stop being at Alder Flats.

Alder Flats is continuing this birthday celebration with its third annual race meet and pit barbecue which will be held Monday, May 19th. This is a family affair with events and attractions for young and old alike.

Celebrations commence at 12:00 noon with a gala children's parade through town and continue with races and gymkhana events which all lead up to the big pony express horse race at 2:00 p.m. There will also be ball games, horse shoes, log sawing contests and novelty events following in the evening with a smorgasbord pit barbeque and dance.

FLOAT AVAILABLE

Agricultural fairs and Municipal Sports Days planning parades as part of their programs are urged to write promptly to the Alberta Government Publicity Bureau, 1618 Centennial Building, Edmonton 15, with their request for participation by the Alberta Government Float. The float is circulated through the schedule of fairs on the basis or priority of request compatible with travelling ability.

One of the speakers at last Saturday's F.U.A. convention in Drayton Valley receives the attention of the group shown here.

WABAMUN NEWS

Mrs. Julia Burton is away to Quesnel, B.C. to attend her nephew's wedding.

The Cubs are going to have an auction sale in Wabamun on May 3rd. It will be held on the vacant lot just south of the supermarket. So have your stuff out for them as they will be collecting at the different homes. They will also be having another bottle drive soon. So dig up things that will help these boys in their money-making project.

Congratulations go out to Mr. and Mrs. R.T. Ward who have been blessed with a new granddaughter. Mr. and Mrs. Larry Burke are the proud parents and of course Johnny is quite pleased to have a new sister. Her name is Cindy Anne and she weighed 9 lbs. 5½ ozs.

There will be an Artex party at the home of Mrs. G. Stafford on Monday, April 21st at 7:30 p.m. Everyone is welcome.

The Harris rink from Wabamun won first prize in the third event in the annual K.V.A. Calgary Power Bonspiel, held this year at St. Albert. Skipping was Harry Harris; third, Rolande Edmonton; second Dan Edmonton; lead, Marg Harris. The banquet and dance following was also attended by the Mike Northcotts and J. Kerrs.

Mrs. Betty Sparrow spent the weekend at Medicine Hat joining with relatives and friends celebrating "Grand-dad" Lang's 96th birthday.

The annual retreat at the Star of the North Retreat House in St. Albert is always enjoyed by many residents from this area. Attending this year were Mrs. Pat Loyer, Mrs. AL. Bellrose, Mrs. Flossie Loyer, Mrs. Tourangeau, Mrs. Halder and Mrs. Ben Wagner.

The world day of prayer was observed at the Catholic Church in Wabamun recently and attended by Christians from the various denominations in the area. Leading participants were Mrs. Monica Chomas, Mrs. Dorothy Langford, Mr. Ernie Scheideman, Mr. Dan Edmonton, Mrs. Wilma Thiebaud and Mrs. Barbara Wright.

Mrs. G. Lawley of Gainford, Mrs. G. Beach of Evansburg and Mrs. R.M. Watt and Mrs. D.M. Roberts of Wabamun attended the Artex demonstration held in Edmonton on April 1st. There certainly was a lot of lovely work shown. Some on cotton and some on black velvet and some on white velvet.

INSECT INFESTATION IN DAMP GRAIN

If you have insect or mite infestations in damp grain, there are three ways of dealing with the problem says L.K. Peterson, Alberta Department of Agriculture pest control specialist.

You can dry the grain, move it, or fumigate. The insects will be killed during the drying process, also when the grain is cooled during the moving, providing the latter case the temperature is below 20 degrees F.

BLOOD DONOR CLINIC MONDAY, APRIL 14

Frank Maddock High School 2:00 to 4:30 and 7:00 to 9:00 p.m.

Why be a Blood Donor?

Because . . . through voluntary donors Red Cross supplies blood and blood products free of charge to any patient in any hospital in Canada. All blood is the gift of volunteer donors. Blood cannot be manufactured. It must come from people.

Because . . . whenever you or a member of your family may be in hospital and need blood or blood products, you will receive these free of charge. If everyone gives there will be an ample supply of blood when you or a member of your family needs it.

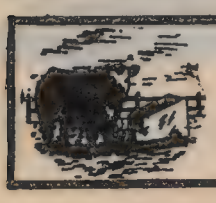
Because . . . an average of one unit of blood must be collected every 15 seconds of every working day to maintain an adequate supply of whole blood and blood products. More than 900,000 units will be required for transfusion therapy for patients in Canadian hospitals during the year.

Because . . . there is no discomfort experienced in giving blood donations. Every phase of the programme is under professional supervision. Specially trained nurses will take your donation.

Because . . . you give only one-twentieth of the average body content. Three quarters of a pint. This is replaced within 24 hours.

Because . . . it takes so little time. Only 30 minutes from start to finish including time for testing, registration, rest and refreshment. The actual giving of your blood takes only 4 to 5 minutes.

because only you can give the gift of Life



Weekly Livestock Report

The Edmonton weekly livestock report for the week ending April 5th, 1969, provided by the Livestock Division, Canada Department of Agriculture.

RECEIPTS	CATTLE&CALVES	CATTLE	CALVES	HOGS	SHEEP
This Week (est.)	6300	4730	1570	1660	124
Last Week	6750	5227	1523	1408	572
Same Week 1968	5734	4342	1392	1708	105

SUMMARY:

Receipts were lighter as a result of the short week. Replacement cattle and calves continued to make up the bulk of the offerings, although there was a fair volume of slaughter classes available. Trading was active on all classes and grades.

Slaughter Cattle - A good demand for butcher steers and heifers resulted in price gains of from 50¢ to $1 for all grades, with sales to 29.60 for choice steers and 27.25 for top heifers. Butcher cows were trading somewhat easier by mid week with prices barely steady. Good bulls were in short supply a few selling about steady. Good to choice veal and butcher calves were fully steady with the odd vealer selling to $41.

Replacements - All classes of replacements were meeting a strong demand at firm prices. Feeder steers of all weights were 50 higher. Stock and feeder heifers were trading 50 to $1 higher. Stock calves were moving freely on a fully steady basis.

Last weeks shipments off the Edmonton yards East 525 feeders, West 434 slaughter and 118 feeders, Southern Alberta 915 feeders.

EVANSBURG NEWS

After a touch of old man winter, the weather seems to have cleared again and thawing has set in once more. Last week was spent in some heavy studying for the students of the junior-senior high school who had to write Easter exams. Now the students can enjoy a carefree holiday for ten days or so.

The Boy Scout Council representatives met at the Evansview School on March 27th for their regular monthly meeting. The Scout masters were also present and plans were made for the camporee to be held later on.

Mr. and Mrs. I. Froland have left for a ten day holiday to Coquitlam to visit relatives. Mr. and Mrs. Froland were motoring to B.C. so let us hope they have a fine trip.

Don't anyone forget the Kinette sponsored dance to be held this weekend at the Legion Hall in order to crown the carnival queen. The hall has been getting a face lifting so it will be very nice for this event.

The firemen held their usual montly meeting last week. Due to other commitments, the fire marshall was not able to come to the meeting, but it is hoped he will come to the next one to show the film he has in mind.

Spring must be just around the corner as we had the first of the season's relatives call in the other night. The caller was a cousin, Miles Bruner from up Mayerthorpe way.

Relatives of Grannie, Mrs. W. Feldber, all gathered at her home to celebrate her 75th birthday on March 30th. There was an open house invitation extended to anyone who wished to drop in and extend greetings, and through this column I wish to extend our greetings to Grannie and wish her many happy returns of the day.

Several members of our family have had a touch of the flu and our latest hospital victim is Grant, who went in to an Edmonton hospital for minor surgery but is now back home.

The Drayton Valley Centennial Civic Centre was the subject of a recent story in "Current Trends", the monthly newsletter of the Alberta electric power industry. The story has high praise for the fine facility serving the town and surrounding area with emphasis on the efficiency of new ice-making facilities installed last fall.

ENTWISTLE NEWS

Winners at the Elks Whist Drive on March 29th were: Ladies-1st, Ivy Anderson; 2nd, Pauline Bullock; Con., Elfreda Gay. Mens-1st, Norman Hanson; 2nd, Leo Horst; Con., Gerald Davey. Seven tables of whist were played and on April 12th a cribbage game will be held by the Elks.

Mr. and Mrs. Ed Nelson and girls attended the wedding of Mrs. Nelson's neice in Calgary on Friday, March 28th.

Mrs. Terpstra won on the draw which was held at the Nu-Vu Store on March 29th.

Mr. Wally Adashynski is leaving shortly for Europe to visit relatives. Most of his visiting will be done in the Ukraine. We hope he will have a very enjoyable visit.

Ed Conrad who works at the Poplars has been in an Edmonton hospital having surgery done on his leg. We all hope he will soon be home.

Mr. and Mrs. Roy West and family were in Entwistle visiting at the Swinnerton home.

Congratulations to Mr. and Mrs. A. Boden on the recent birth of a son. The baby's name is Andrew Allan and we hope that mother and son are doing just fine. Mr. Boden is a teacher at Entwistle School.

Terry Boles was home for a while recently after working up north. He has been busy visiting his family and friends.

Norman Hofmann of Hope, B.C. was home for a few days with his family, relatives and friends. He returned on April 4th

The Entwistle Home and School Tea and Bazaar will be held on Saturday, May 3rd.

The Bazaar will consist of the following: tea tables, bake table, bazaar table, plants, grab box and the Mother's Day room for the children which was a great success last year. There will also be a raffle and door prize.

We hope all you ladies with green thumbs will start your plant slips now. We are also asking for your help to supply the sale items for the other tables. There is some material available at the home of Shirley Sullivan for anyone who wishes to do some sewing. Phone 727-3592. Your help will be greatly appreciated.

Northwestern Records Customer Increase

The largest annual customer increase in six years was recorded in 1968 by Northwestern Utilities, Limited.

In its annual report to shareholders, released recently, the company shows the addition of 4,923 customers in 1968, bringing the total at the end of the year to more than 130,000.

Natural gas sales in 1968 were 83.9 billion cubic feet. This was 2.3 billion cubic feet below 1967 sales, due to a non-recurring sale in 1967 of 4.9 billion cubic feet to facilitate the starting up of the Great Canadian Oil Sands refinery.

Operating revenue was $27,220,000 in 1968, up slightly from 1967. Total operating expenses were down $150,000 to $22,456,000 principally as a result of savings in gas purchase costs.

Capital expenditures in 1968 were $4,510,000 and of this amount $2,700,000 was expended on extensions to serve new customers. Northwestern reports that its rural services program had its biggest year in history with the laying of 434 miles of plastic pipe and the connection of 1,121 rural services.

The company forecasts the addition of 4,700 new customers in 1969 and most of the capital expenditures of $5 million will be spent in providing facilities to connect them. Included is the extension of service to 800 new rural customers.

English mail ships in the days of Drake and Raleigh had battle orders to "run while they could, fight when they could no longer run, and to throw the mail overboard when fighting would no longer avail."

SNOW MOLD

If you have unsightly patches of dead grass on your lawn, they are probably being caused by snow molds which can be treated with a recommended fungicide.

Small or large irregular patches of white, grey or greyish pink cobweb-like material on the grass is a typical characteristic.

Dr. Vaartmou, plant pathologist with the Alberta Department of Agriculture, recommends spraying with an organic mercury compound such as Panogen Turf Fungicide or non-mercuric fungicides such as Kromad.

Since fungicides are poisonous to people and animals, they must be used strictly according to label

HEALTH UNIT NOTES

"Your Dental Health"

One in a series of articles from the Edson Health Unit.

Dental disease is the most widespread crippling condition known to man today. It is even more prevalent and disasterous than the common cold.

Disease in the mouth can lead to disease in other parts of the body. If a person cannot chew his food correctly, he may not get the nourishment his body needs.

Dental caries (tooth decay) is such a common disease that everyone expects to get it. People blindly accept its crippling and painful results. Cavities in teeth never heal up by themselves They cause tooth destruction, pain jaw abscesses, then the danger of the spread of infection to other parts of the body via the bloodstream.

When a tooth has to be extracted (removed) because of cavities, the situation probably becomes worse. Extraction is not a cure - it only leads to tipping of surrounding teeth. This affects the appearance, speech and effective chewing of the person.

As a person become older, he becomes more susceptable to peridontal infection (pyorrhea and gum disease). These infections are hastened by unclean mouths and tartar - encrusted teeth.

In the weeks to follow, we shall discuss some of the dental problems plaguing us today. Modern science is helping to fight many of these diseases, but these new weapons will only be effective if you care a little bit about your dental health.

1969 WEED PROBLEMS

W. Lobay warns that the weed hazard is expected to be more serious than usual this year, and urges farmers to start planning their control programs now. Last year's extensively dry weather, followed by excessive moisture in the late fall, provided ideal conditions for weed growth, a heavy weed crop is anticipated on both unsprayed and sprayed fields.

RAMONA NEWS

Mr. and Mrs. William Frazer and Jimmy motored out from Kelowna, B.C. via Yellowhead Pass to visit their daughter and son-in-law Sharon and Lloyd Putnam and family. They arrived here on Friday evening then drove to Thorhild on Saturday for a family gathering to celebrate Mr. Frazer's brother's birthday. Lloyd and Sharon also visited Lloyd's mother and brother at Bon Accord. Debbie, Penny and Bengy are spending Easter week with Grandma Putnam and Uncle Bob.

The Charlie Herndon family drove down from Westlock on Friday and will spend this week visiting friends and relatives around Drayton Valley. Charlie is now with the Dominion Life Assurance Company.

Elvira Thompson is spending this week at Lacombe with her dad. Have a nice holiday Elvira.

Marion Kmyta is spending this week in Wainwright visiting her Aunt Alice and cousin. Mary and Mike drove her down on Friday. They stopped off at Chipman on their way down to visit Mike's sister then drove on to Wainwright on Saturday. Hope you have a nice holiday Marion.

We were sorry to hear that Olga Mulyk's parents haven't been feeling too well. Olga went out to Red Water last week to visit them.

Eleanor and Kelly Davis and Sharon and Janette Emnis went to Saskatchewan for the weekend. Sharon and Janette plan to move up here. Deana and Dixie have been made chief cooks and bottle washers while mom and Aunt Sharon have been gone. Hope you had a nice weekend folks.

Happy birthday to Peter Yurkevich April 10, Kenny Darragh Apri 11, and Wendy Blatkewicz April 12. Have a nice day kids.

Glen Plewis of Nanimo, B.C. stopped off to visit his dad last Wednesday on his way to Edmonton.

We hope Debbie Mohr's leg is better now. Debbie jumped over the fence at the Edmonton rodeo to kiss "Candy" and hurt her leg. Was the kiss worth the sore leg Debbie?

Isla, Orvil jr., Gwen and Lisa Smith and Darlene Cherrington stopped at the Ken Stewarts on their way from Calgary to visit at Moon Lake and Entwistle. Hope you have a nice holiday folks.

The boy walked unhesitatingly up to his father: "Dad, here is my report card, "he said, " and here also is an old one of yours I found in the attic."

WARBURG NEWS

The Elks and the Royal Purple Lodges held their annual Curling Bonspiel on Sunday, March 30th. The winners in the first event were: first, Joe Hoshowski's rink; second, the Mike Kurley rink. The second event winners were: first, the Caroline MacDonald rink and second, the Leeson Ruff rink.

Following the game a pot luck supper was held for curlers and their families.

Warburg High Schools Drama Night was staged in the school gymnasium on Wednesday afternoon March 26th and Thursday night, March 27th.

Judy Fritz was the mistress of ceremonies and led the crowd in O' Canada.

The program began with the main play produced by the Drama Ten calss and directed by Mrs. K. Zelmer. This was followed by a monologue by John Heidt, three more skits and four musical numbers.

After a five-minute intermission, the Scottish theme of the program became evident in the showing of the slides of Scotland. Following this Mr. E. Chilton played the bagpipes to march the Glee Club on stage. The Glee Club has prepared four selections under the direction of Mrs. C. Burnett.

The highlight of the evening was the highland fling danced by two local girls, Sharon Gellert and Beverly Broadbent to the music of Mr. E. Chilton. Mr. Chilton later played several selections as well as supplying the music for the girls' sword dance.

The rest of the program consisted of a skit "Lochinvar", produced by the junior high boys, a pantomine "Donald, Where's Your Troosers?" by Virginia Lehay and various students' interpretations of some popular Scottish ballads.

Mrs. Anna Kropp left last Saturday to spend her vacation in Hawaii. She is expected to return in two or three weeks.

Lionel and Lois Highland are situated in Drayton Valley in their truck camper as Lionel has moved his saw mill to Drayton Valley.

Gus Fisher is now employed in Drayton Valley.

Henry and Jeanette Meilke and son Sheldon Lee travelled by train to Port Alberni to visit Reynold Irene Meilke.

Mr. and Mrs. Bruce Winters passed through Warburg on Thursday, March 27th to Fernie, B.C. Mrs. Mary Lehay had her three grandsons until they returned on Friday evening.

Mr. and Mrs. Anna Sweet visited with Mrs. Mary Lehay and family on Saturday.

Mrs. Mary Lehay, Richard and Mona went to visit Mr. and Mrs. Don Heslop and Marjorie on Sunday afternoon.

COUNTY OF PARKLAND NO. 31

NOTICE OF INTENTION TO LEASE PORTIONS OF HIGHWAY

AS HEREINAFTER DESCRIBED.

PURSUANT to the authority of County Council and as provided in the Municipal Government Act, NOTICE IS HEREBY GIVEN of the intention of Council to pass a bylaw to close: All that portion of highway in the County of Parkland No. 31 in the Province of Alberta of record in the Land Titles Office for the North Alberta Registration District described as follows.

1. The street allowance between Lot 12, Block 2, Plan 2157H.W. and Lot 1, Block 3, Plan 5478H.W. on the North shore of Lake Wabamun in the NE1/4 4-53-4-5.

Reserving thereout all Mines and Minerals.

Plans showing the location of the said highway may be inspected and information obtained in the County of Parkland Office, during the regular office hours, Monday to Friday, inclusive until 6:00 o'clock Friday, 25th day of April, A.D. 1969.

Any person who claims that his land will be injuriously affected by the passing of the said Bylaw and petitions to be heard, is requested to file his claim with the Secretary-Treasurer, County of Parkland No. 31 Stony Plain, by not later than 6:00 o'clock P.M. on Friday, 25th day of April, 1969.

AND FURTHER TAKE NOTICE that at its meeting to be held in the Council Chambers, at 10:00 o'clock A.M. on Monday, 28th day of April, 1969 or so soon thereafter as the matter can be conveniently dealt with, the Council will afford an opportunity to be heard to any person by himself or his agent who claims that his land will be injuriously affected by the passing of the said Bylaw, who has petitioned to be heard as aforesaid and who appears at the said meeting.

In case the meeting does not take place on the 28th day of April, 1969, then at the first meeting of Council to be held subsequently thereto, the Council will afford any person by himself or his agent who has petitioned to be heard as aforesaid an opportunity to be heard at the said subsequent meeting.

DATED at Stony Plain, Alberta, this 27th day of March, 1969.

O.W. Schuster,
Secretary-Treasurer.

Garbage Collection Bylaw

Every occupant tenant or person in charge of any building, premises or business shall place garbage, refuse and all waste accumulated in or about the building, premises or business in their approved receptacles, provided, however:

I. That garbage and refuse shall be kept separate from ashes.

II. That ashes shall be placed in an approved receptacle.

III. That combustible refuse may be incinerated as hereinafter provided.

The circular receptacle shall be no greater than 18 inches in diameter and shall have an overall height not exceeding 28 inches; it shall be of, at least, 24 galvanized metal, have rigid fixed handles, a water tight cover and smooth rim; the capacity or volume shall not exceed four cubic feet and the receptacle shall not be filled to a greater height than within 2 inches of the top; the weight of the receptacle and its contents shall not exceed 75 lbs. Should the receptacle with contents exceed 75 lbs. it shall not be removed by the collector.

The covers of all receptacles shall be kept on the receptacles at all times, except when removed for the purpose of filling or emptying.

No person shall use a gasoline barrel or other than an approved receptacle for waste. The owner, tenant or person in charge of the premises where other than an approved receptacle is in use may be given written notice by the Council to obtain an approved receptacle and two weeks from the date of delivery of such notice the Town may discontinue pick-up service at the premises. The Council may prosecute the owner, tenant or person in charge thereof if a proper receptacle has not been provided within two weeks of date of delivery of the written notice. Receptacles used for collection of animal matter or garbage of similar matter shall be protected in such a manner than they may not be opened by cats, dogs or other animals. If garbage or other refuse is placed for collection in receptacles which do not meet the requirements of this Bylaw, such receptacles shall be deemed to be refuse and may be removed by the collector.

Did you happen to read the article in a recent Chatelaine entitled "The Real Poor in Canada are Women"?

I was aware that there was a high percentage of families headed by women and that women in some cases were in a pretty sad plight, but I was not aware of the magnitude of the problem. So much of the publicity surrounding the Royal Commission on the Status of Women dealt with trivial matters while the real issues were obscured.

To me some of the figures are shocking - and this is a so called affluent society!

3 million women (which is over half the female population over 16 years) are poor. 350,000 Canadian women are raising children on marginal incomes and welfare.

Add the number of women on welfare, plus the number of working women who are heads of families and earning less than $3,000 plus the single women who work for less than $3,000 plus the elderly poor and you get a figure to 5 times as many poor people as all the poverty stricken racial groups put together.

It's like the question of the baby seals. You can generate a tremendous public outcry over an insignificant issue. The fact that the hunters depend on the hunt for a livelihood is irrelevant. Perhaps people would sooner have them on welfare.

These conditions exist among Canada's women in spite of the fact that the welfare bill is 3 times what it was 10 years ago.

Equal pay for equal work is law in Canada but it ends there. 50% of working women earn less than $3,000 a year (only 15% of these are part-time). What's worse is that only 10% earn more that $5,000 and 1/3 of all single women make $1700 or less.

When I got to the end of the article, the thing that surprised me most was that it was written by a man.

"Too much" of any food ingredient can become harmful under certain circumstances. For example, just plain overeating can have nasty consequences. Too liberal use of salt, vinegar, spices and other condiments can be a health hazard. The answer is to stay within "safe limits", says the Department of National Health and Welfare.

A backstage shot at the recent ice carnival in Drayton Valley shows Bob Doig with the "Campers Trio" of Terry Muzylouski, Darlene Harrison and Michele Shimbashi (L to R).

Said one farmer to his neighbour, "I have a rooster so lazy that every morning when your rooster crows, mine just listens and then nods his head in approval."

FASHION SHOW AT HIGH SCHOOL

The F. M. H. S. High School Auditorium was filled last Wednesday evening for the fashion show for "Young Moderns" sponsored by the Macleods Store and the Students Union of Frank Maddock High.

A wide variety of casual wear was shown from small tot size to young adults - in lovely spring shades, fabrics and styles. The ever increasing wash and wear clothes highlighted the evenings showings.

At intermission tea and coffee were served by members of the high school with Mrs. Patrick, the Home Economics teacher, pouring.

Mrs. Kathy Bright was the commentator for the showing with John Kennedy, Robert Riauka, Christine Hallett, Debbie Toews, Mrs. Tufts, Lynn Ratzlaff, Mrs. Sandu, Louise Tetreau, Judy Goubault, Rick Bright, Valerie Willner, Ken Goble, John Braybrook modeling the outfits.

Also shown and much enjoyed was a novel comic fashion of what "the well dressed man" should wear, capably modeled by Rick Bright.

A lucky door prize was drawn with Miss Debbie Hagan of Drayton Valley the winner of a ten dollar voucher.

Mr. J. Pickett, manager of the Drayton Valley Macleods Store wishes to thank all who helped in making the evening a success and hopes the people present enjoyed the presentation.

Nation-wide Publicity for Drayton Valley

Drayton Valley received national mention on the Pierre Burton Show Tuesday morning while Mr. Burton was interviewing Bobby Gimby, author of the Centennial song "Canada".

Mr. Gimby mentioned his visit to Drayton Valley in recalling the way the song became an overnight success with children. One hundred children were out for the afternoon audition, he said, but three hundred were on hand to raise the rafters singing "Canada" for the official opening ceremony of the Centennial Civic Centre.

FALLIS NEWS

A farewell tea was held at the Vince Mickel home on Friday afternoon, March 28th in honor of Mrs. Gayle Richardson who has moved to Coleman, Alberta. Mrs. Carol Mickel and Mrs. Marge Buchanan were joint hostesses.

Gayle and her husband Raymond and small daughter, Brenda left on Saturday, March 29th. They will be greatly missed by their many friends and are wished much happiness in their new home.

Mrs. R. Noble of Fallis was the lucky winner of a cash jackpot recently at a Darwell bingo. Congratulations.

Mr, Cliff Hixon of Edmonton, former General store and garage owner here, visited at the Fallis Corner recently.

Mr. and Mrs. Ralph Hickie of Hay Lakes were recent Sunday guests of Mrs. May Lockner and Jim.

Little Tracey Wilkie had one finger badly injured and was rushed to a Stony Plain doctor for attention. It has healed well. Tracey is the small daughter of Joyce and Henry Wilkie.

Mr. and Mrs. Jack Buchanan and family have moved from the Fallis Village where they have lived for a number of years, to the former Russell Lee place west of the Fallis Corner.

Revised Course Next Year for Grades 7 and 10

Grades seven and ten in all schools in the province of Alberta will be involved in an experimental program revolving around a revised social studies course. The Curiculum Branch of the Department of Education will start the program in these two classes in the fall of 1969. Provincial-wide implementation of the program will occur in grades one through twelve in September, 1970.

The ultimate aim of the new Alberta Social Studies program is to produce valuable citizens who participate in social and civic activities. The course is designed to develop students who will make rational decisions on logical grounds.

Two major changes in the course will be an emphasis on Canadianism, and a development of an awareness and appreciation of the student's Canadian identity; also emphasis will be on how to make the future world a more desireable place to live.

To settle an argument over which was correct, the hen is sitting or the hen is setting, two rural school teachers asked farmer Brown, who knew his hens and his eggs.
"Well," he said, "that isn't what interests me. What I want to know when I hear a hen cackle is whether she's laying or lying."

Water action in the Big Bend spillway was simulated by the scale model above, shown during early studies at the University of Alberta. The Spillway principal is being put to use at Calgary Power's hydro project on the Brazeau River west of Lodgepole.

Moon Lake Club Meets

DEB HANSEN
Club Reporter

On Tuesday, April 1st, the regular meeting of the Moon Lake Beef Club was held at 8:00 p.m. in the Moon Lake Hall. The pledge was led by Ralph Kapteyn which brought the meeting to order. Roll call was taken by each member naming a different part of an animal. One member and one pee-wee were absent.

Karen Tufty read the minutes and Heather Sinclair gave the Treasurer's report. The date for the club's calf tour has been set for April 12th. On April 11th we are to attend the judging competition at Cornie Ranch.

Ila Tufty gave a report and demonstrated on preparing a switch. Ralph Johnson then reported on trimming the feed and showed the members how to make a half-hitch.

On March 29th, the club journeyed to Edmonton to see the afternoon performance of the Stock Rodeo. Thanks go out from the members to Otto Hansen, Walter Woloszyn, Bud Tufty, and to the club leader, Norman Johnson who organized the trip and supplied the transportation. We all had an enjoyable time.

The meeting was adjourned and a tasty lunch was served by the hostesses Mrs. Kidner and Mrs. Johnson.
